For many Veterans living with Parkinson's disease, one of the most common needs and challenges is maintaining their independence.

We will hear from Parkinson's disease experts discussing common PD-related mobility challenges and the importance of recognizing and managing fall risk and driving safety. We will also explore mobility aids and home modifications, including eligibility and how to access these services through the VA Healthcare System no matter where you live.

Speakers:

**Dr. Ergun Uc, MD**

Iowa City VA Health Care System

**Hillari S. Olson, DPT, RYT-200, NDT/C and Derek Kent, OTR/L**

Minneapolis VA Health Care System
